

**MSP GeoTrans (GEOTRANS) Terms of Use:**

- 1.) The GEOTRANS source code ("the software") is provided free of charge by the National Geospatial-Intelligence Agency (NGA) of the United States Department of Defense. Although NGA makes no copyright claim under Title 17 U.S.C., NGA claims copyrights in the source code under other legal regimes. NGA hereby grants to each user of the software a license to use and distribute the software, and develop derivative works.

- 2.) NGA requests that products developed using the software credit the source of the software with the following statement, "The product was developed using GEOTRANS, a product of the National Geospatial-Intelligence Agency (NGA) and U.S. Army Engineering Research and Development Center." Do not use the name GEOTRANS for any derived work.

- 3.) **Warranty Disclaimer:** The software was developed to meet only the internal requirements of the National Geospatial-Intelligence Agency (NGA). The software is provided "as is," and no warranty, express or implied, including but not limited to the implied warranties of merchantability and fitness for particular purpose or arising by statute or otherwise in law or from a course of dealing or usage in trade, is made by NGA as to the accuracy and functioning of the software.

- 4.) NGA and its personnel are not required to provide technical support or general assistance with respect to public use of the software. Government customers may contact NGA.

- 5.) Neither NGA nor its personnel will be liable for any claims, losses, or damages arising from or connected with the use of the software. The user agrees to hold harmless the United States National Geospatial-Intelligence Agency (NGA). The user's sole and exclusive remedy is to stop using the software.

- 6.) Please be advised that pursuant to the United States Code, 10 U.S.C. 425, the name of the National Geospatial-Intelligence Agency, the initials "NGA", the seal of the National Geospatial-Intelligence Agency, or any colorable imitation thereof shall not be used to imply approval, endorsement, or authorization of a product without prior written permission from United States Secretary of Defense. Do not create the impression that NGA, the Secretary of Defense or the Director of National Intelligence has endorsed any product derived from GEOTRANS.
